

Who you are supporting

Kent Youth & Family Services

Located in downtown Kent, the goal of Kent Youth and Family Services is to empower youth and their families to meet their needs while being committed and responsible to the citizens of the Kent and Covington communities. They are an organization that has outreach and support throughout South King County. Programs they provide include those for children after school, evening drop-in, substance abuse treatment and mental health counseling, Head Start/ECEAP, at risk youth work training, and transitional housing for single, homeless, extremely low-income youth and young adult mothers and their children. To learn more about this community organization that has been in business for 40 years, visit their website www.kyfs.org. Kent Youth & Family Services will receive 50% of available net proceeds from this year's Sip 'n' Shop.

South King County HR Association Continuing Education Scholarship

South King County professionals and local students who are pursuing continuing education may compete to win a \$1,000 scholarship to advance their knowledge of Human Resources. Multiple scholarships may be available depending on sponsorships and net proceeds.

About our Event

Several years ago the South King County Human Resources Association (SKCHRA) held our first Sip 'n' Shop as a way to raise money to give back to the HR community via a college scholarship and support of our national foundation. We also wanted to give local businesses and individuals the opportunity to showcase their products and receive advertising through the donation of auction items.

Each year has been bigger and better. Despite (or perhaps because of) the economy, we continue to see strong support for this community event. Over time our focus has evolved so the primary reason we hold this event now is to give back to an organization vital to our local community as well as providing scholarship opportunities for those in the HR profession. This year we are pleased to name Kent Youth & Family Services as the primary beneficiary of our Sip 'n' Shop success. As HR professionals we are keenly aware of the needs and challenges that exist in our communities, and supporting Kent Youth & Family Services is one more way we can help. *Won't you join us?*

How to Donate

Donations of cash and product as well as food and beverage sponsorships for the event are welcome. Receipts are provided for market value and donations are tax deductible per IRS guidelines.

To donate or for additional information, please contact Pam Gibbons by phone at 253-458-3483 or e-mail SKCHRA@gmail.com.

You are invited to be a Sponsor, an Auction Item Donor, or both!

What keeps guests coming back to our annual Sip 'n' Shop? Good food, beer and wine, a good cause, and SHOPPING! Without your auction items we don't have an auction so we need YOUR support!

Donations can be goods or services, gift baskets or certificates, arts or sports tickets—just about anything you would love to bid on! Cash and Sponsorships are also welcome so we can purchase items to auction as well as cover other expenses.

What Donors Receive

Companies and individuals who donate receive not only a tax deduction, they also receive a listing in our monthly newsletter sent to over 200 local HR professionals, table space at our event for brochures, and product and name exposure to those who attend our Sip 'n' Shop.

All Sponsorships (Platinum, Diamond, Gold, Silver) include the following:

- Company name in onsite program
- Company name listed in our October and November 2010 electronic newsletter reaching over 200 HR professionals throughout King County; *subject to deadlines*
- Table space at event for brochures
